### Notes:

1. The allocation of runners to groups was done largely on a random basis for runners who did not indicate a preference.
2. New runners in weeks three to six will be added to new teams after team 18 is filled up with three people.
3. The order of teams on this table does not indicate how each team has performed to date – the times for each team (and ranking of teams) will be given out from week three onwards.
4. Further details of how the team format will operate is given on the newsletter which is also on our website.
