21 January 2013

**Dear Margaret,**

On behalf of everyone at GOAL, I would like to say a huge thank you for organising a GOAL mile and raising **€5,000**. At the last count, close to €140,000 has been raised by 100 GOAL Miles held over the Christmas and New Year period.

Once again, tens of thousands of people ran, jogged or walked a Mile, and contributed whatever they could afford towards our programmes for the poor.

GOAL spent in the region of €60 million in the developing world in 2012. This money has been directed towards our most-vital charitable activities, including the supply of food, water and healthcare to tens of thousands of refugees in South Sudan. We have also begun to deliver food stuff and blankets to displaced families in war-torn Syria, while we continue to implement hundreds of other projects across some of the poorest countries in the world.

You can rest assured that the money raised from the GOAL Mile will help improve and save lives in 2013.

Once again, thank you so much for the time and effort it took to organise your GOAL Mile. Your support is deeply appreciated.

**Best Regards,**

  
**Karen O'Shea**
